

AUDREY KO

ABOUT ME

I am currently a Junior at University High School participating in many activities, within the classroom as well as out of it. I have a strong work ethic and am constantly exploring new topics that I have interest in. I am the eldest of three daughters, which has helped me take on responsibility and taught me how to lead by example.

COURSES

Economics

1st Semester, 2025

Taking Economics allowed me to explore my business passion and learn about how decisions always have costs and that there is always an incentive

Personal Finance

1st Semester, 2025

Taking Personal Finance provided me with a basis on how the economy used their money within the finance world. By doing sims, I learned what it would be like to live as an adult managing taxes, investing, and saving.
